Request for Reconsideration

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Decision on Petition mailed May 24, 2006 in the above-referenced application, Applicant submits herewith a docket report for the application for the time period of May 6, 2004 until August 6, 2004, that is, the time period during which the non-received Office communication would have been entered had it been received and docketed. This docket report shows no entries during that time period for the application. Please note, however, that a formal status request was filed with the Office on June 10, 2004.

A change of correspondence address was also filed on June 10, 2004. This change of correspondence address did not affect receipt of the Notice of Allowance. According to the Decision on Petition, the Notice of Allowance was mailed on May 6, 2004, more than a full month prior to the change in correspondence address. Further, the address of record prior to the change of correspondence address was still in use by the undersigned at the time of the filing of the change of correspondence address, as only the patent agency branch of the undersigned's law firm changed address at that time. The undersigned was receiving mail at the previous address of record during the time period in question and has continued to receive mail at that address, and therefore the change of address did not affect the undersigned's receipt of any mail, including the Notice of Allowance.

Request for Reconsideration
Application No. 09/769,446

In view of the foregoing, reconsideration is respectfully requested.

Respectfully submitted,
